

inspiring food.

Thermo Whip.

The versatile tool for cooking & catering convenience.

For the preparation of light and fluffy espumas, finger food, warm and cold sauces and whipped soups, as well as whipped cream and desserts.

Head with protective silicone grip and fixed stainless steel valve for easy dispensing, even with warm preparations.

Double-walled, stainless steel vacuum-insulated bottle with maximum thermal performance: keeps creations cold or hot for hours.

Cold and warm applications

Thermo-insulated

Dishwasher-safe

NSF-certified / Meets HACCP requirements
